Quantitative results

No parasites or ova seen

ID: _____

Amount: _____ ova / gram

ID: _____

Amount: _____ ova / gram

INSTRUCTIONS

- 1) Take a zip-lock type of baggie and write your horse's name on the outside.
- 2) Turn the baggie inside-out and wearing it like a glove, pick up a small amount of FRESH fecal sample. All we need is 5 grams (a typical "fecal ball" is about 5 grams).
- 3) Reverse the baggie and seal it. Refrigerate the sample if you are not going to send it today.
- 4) Complete the attached form. Be sure to select QUALITATIVE or QUANTITATIVE (differences are explained on our website).
- 5) Be sure to include payment (cash, check or call with Visa or MasterCard).
- 6) Mail or drop off the sample(s) to:

New England Horse Labs
7 Lenora Street
Worcester, MA 01607

(There is a wall drop-off box for after-hour deliveries)
